

# QUEENSFERRY and DISTRICT COMMUNITY COUNCIL

**CELEBRATING 33 YEARS 1986-2019**

## CORRESPONDENCE SECRETARY – MARCH 2019 REPORT

1. The QDCC mailbox – both incoming and outgoing mails has been fairly quiet since last month  
As well as mails from local residents on a multitude of issues there continues to be a large number of internal QDCC communication on matters – primarily banking and legal details associated with the Community Facility but others such as South Scotstoun Planning Application, Craigiehall development, Dundas playpark funding, High Street Scottish Water repairs, High Street renovation project, High Street/ West Terrace maintenance, updated yellow line parking plans, various road resurfacing plans, Burnshot Bridge update, various TTRO's, Dalmeny Park Commercial Space, Hawes promenade benches but to name but a few.

Whilst it remains encouraging that local residents are keen to engage with QDCC, most communications tend to be complaints, issues with CEC service delivery (particularly waste uplifts) and queries about local services.

As mentioned in an email to all at QDCC earlier in the month we are in need of a new Minutes Secretary. My thanks again go out to Jennifer for her time in the role. At the time of writing there have been no volunteers internally. We have advertised through Social Media but as yet nothing has come from that.

No significant telephone calls were received this month, although I was contacted by The Gazette for a quote on The High Street Refurbishment and the proposals for a pharmacy at Scotstoun Grove.

Local residents have once again been in touch via email on various recurring matters – mostly service provision, planning related and public transport queries/complaints

As with previous months other communications relate to various ongoing parking and traffic matters, dog fouling, overflowing waste and recycling bins, late and missing domestic waste uplifts, broken streetlighting, and the general poor state of roads and pavements in a number of locations across the Burgh

We continue to receive a large number of mails from CEC on various topics which are circulated to Community Council members and interested parties as and where applicable.

QDCC has received a number of "Contact Us Submissions" through the website since the last meeting – mostly related to items already mentioned above.

2. No significant postal mail received this month.
3. Facebook continues to be a major communication tool for QDCC and we now have well over 2600 followers.  
Facebook communication and enquiries broadly match those received by e-mail but in greater volume and generally are far more vocal.  
A more detailed summary has been submitted by Graeme in his Communication Report.

We continue to field many queries from local residents through our Facebook pages. Thanks to Diane, Grant, Laura and Graeme for responding to these on behalf of QDCC.

Just a reminder to all Community Councillors that the QDCC website is also active, requires constant administration and would once again encourage all members to have a look and again welcome any suggestions for materials to post.

Thanks again to Graeme for the work he continues to do on this.

Should any Councillor like to have administrative rights to the website please let me know.

4. On behalf of QDCC this month I have written and responded to CEC officials, CEC Councillors, and a number of local residents on various community related matters.
5. I continue to distribute information to office-bearers, members and/or portfolio conveners as appropriate.  
Should any member have questions on the content of this report or any other aspect regarding the role of the Correspondence Secretary, please contact me directly.

**Please note the e-mail circulation list by which this report is delivered should be taken as the current version and used in any group wide communication.  
Can I ask all members to ensure all details are properly transcribed.**
