Dear Resident

Hopetoun House Race for Life – 12th May 2019

The above event organised by Cancer Research UK will be held at Hopetoun House on Sunday 12th May 2019 at 11am.

Race for Life is a unique series of events where everyone can come together to walk, jog or run 5k or 10k for Cancer Research UK - the UK's leading Cancer Charity. Money raised will go towards curing, treating and preventing cancers that affect men, women and children, through world class research.

'Race for Life Pretty Muddy' is a unique series of events where women can come together to walk, jog or run a 5k obstacle course for Cancer Research UK - the UK's leading Cancer Charity. Money raised will go towards curing, treating and preventing cancers that affect men, women and children, through world class research. It is expected that there will be around 1,050 taking part in an effort to raise money for Cancer Research UK.

Race For Life raises the awareness and significant funds for Cancer Research UK's pioneering work to help cure cancer faster. Every pound raised in sponsorship goes directly to the scientists and doctors who work tirelessly finding new treatments for the disease.

Cancer Research UK have been working alongside Hopetoun House to ensure that minimum disruption is caused to local residents and Businesses while the event is taking place. There will be one race beginning at 11am. We expect participants to start arriving around 10am and expect that the race will be finished by around 2pm. We will be closing some of the internal roads throughout the grounds of Hopetoun House from 10:50am to when the back marker has passed those points which should be no longer than an hour. Stewards will be in place to assist any traffic and to make sure traffic does not cross the runner's path while runners are on this section of the course.

I very much hope that this event will cause you the minimum amount of inconvenience.

Should you have any queries or require further information please do not hesitate to call our Customer Service team on 0300 123 0770, or visit <http://www.cancerresearchuk.org>

Thank you for your time.

We are still looking for volunteers to help at the event, so if you could spare a few hours on Sunday 12th your support really would be appreciated.

Kind regards,

Victoria Lambert
Area Event Manager
