

QUEENSFERRY and DISTRICT COMMUNITY COUNCIL

CELEBRATING 33 YEARS 1986-2019

CORRESPONDENCE SECRETARY – JULY 2019 REPORT

1. The QDCC mailbox – both incoming and outgoing mails has been fairly quiet since the June meeting – no doubt related to the holiday period.
The mailbox contents consist of mails from local residents on various issues, a large number of internal QDCC communication on various matters – including discussions associated with the Community Facility and some additional communications with QCCC, but others such as the Taylor Wimpey South Scotstoun Planning Application, High Street renovation project, Burnshot Bridge update, Forth Bridge walking experience, TTRO's, Dalmeny Park (commercial space and playpark), parking on The Loan, dog fouling on Lovers Lane, overflowing waste bins, the occasional late and/or missing domestic waste uplift, broken streetlighting, and the general poor state of roads and pavements.

Whilst it remains encouraging that local residents are keen to engage with QDCC, most communications tend to be complaints, issues with CEC service delivery and queries about public transport and/or local service provision.

No significant telephone calls were received this month

We continue to receive a large number of mails from CEC on various topics which are generally circulated to Community Council members and interested parties as and where applicable.

Further information on forthcoming Community Council elections has also been received, including confirmation that Cllr Work has been appointed Returning Officer for this Community Council

QDCC has received no "Contact Us Submissions" through the website – related to ongoing technical difficulties with the site.

2. No significant postal mail received this month.
3. Facebook continues to be a major communication tool for QDCC and we now have well over 2900 followers.
Facebook communication and enquiries broadly match those received by e-mail but in greater volume and generally are far more vocal.
A more detailed summary has been submitted by Graeme in his Communication Report.

We continue to field many queries from local residents through our Facebook pages. Thanks to Diane, Grant, Laura and Graeme for responding to these on behalf of QDCC.

Just a reminder to all Community Councillors that although the the QDCC website currently inactive, it does require requires constant administration and I would once again encourage all members to get involved once we have a resolution to the current problem. Thanks again to Graeme for the work he continues to do on this.
Should any Councillor like to have administrative rights to the website please let me know.
